Portfolio
My Portfolio project management refers to a grouping of projects, and programs. It can also include other project-related activities and responsibilities. The purpose of a portfolio is to establish centralized management and oversight for many projects and programs.

Usability Hub Clone
UsabilityHub is a remote user research platform that takes the guesswork out of design decisions by validating them with real users. Get Started. The world's best companies rely on UsabilityHub to make better design decisions.

Achievement

District Level Cricketer
